BCPAO REQUEST FOR REVIEW

- Your request will be accepted at any time during the year, however, the Brevard County Property Appraiser's Office (BCPAO) works within the tax roll calendar. Once our office receives your request, the tax roll calendar will determine the manner in which the review is conducted.
- Per Florida statute, the adjustment/correction of a prior year's tax bill must meet certain, very specific criteria.
- The BCPAO, as appropriate, will recommend an adjustment to a prior year's tax bill; the Florida Department of Revenue issues the final approval.
- ALL aspects of the property however, will be reviewed and corrected, should any errors or omissions be determined. The review will not be limited to the specific issues brought forth by the property owner and/or representative.
- Upon filing this Request for Review, a representative from the BCPAO will be in contact to discuss the applicable valuation issues as well as potential recourses.
