

UPDATE: HVAC REPAIRED

MELBOURNE OFFICE WILL REOPEN TUESDAY, SEPTEMBER 8

TEMPORARY CLOSURE OF

BREVARD COUNTY PROPERTY APPRAISER'S OFFICE IN MELBOURNE

The Brevard County Property Appraiser's office, located at 1515 Sarno Road, is temporarily closed due to ongoing HVAC problems. The closure will have impacts on our customers in the Melbourne area; therefore, we have relocated employees to our Viera and Palm Bay locations to better accommodate our customers that require in-office services. Property information and many services are also available on our website at: BCPAO.us.

Brevard County and the Board of County Commissioners have not been able to resolve the problem with the air conditioning for several months. Given the unprecedented high temperatures, we must prioritize the safety of our employees and customers and close this office. We understand the closure will displace our Melbourne area customers to other locations and will reopen the office when it is safe to do so.

We apologize for the inconvenience; however, the Property Appraiser's office has no control over the priorities of the Board of County Commissioners.
